Dear Mr. Hammer:

Enclosed is a videotape copy of the interior of the outlet pipe at Dam C-2. The purpose of this videotaping was to assess the current interior of the pipe and compare it to the condition of the same pipe observed on video taken June 21, 1999. The enclosed video was taken on December 22, 2004. Spacing between the pipe joints has not changed since 1999.

If you have any questions or need additional information, please contact John Stover of my staff at 303-966-9735 or Diana Woods at 303-966-4176.

Sincerely,

Joseph A. Legare, Director
Project Management Division
